

PIAGGIO BEVERLY 350 ABS

With the Beverly SportTouring, Piaggio's best-selling high-wheel range has been enhanced with a sport model. A completely new 350 engine, a 150/70 rear tyre and a new look, for an evolution of the species that extends the class and elegance of the Beverly into the sport segment. The Beverly SportTouring is the first Piaggio model to feature the brand new engine with maximum power of more than 33 hp: designed and produced to deliver performance on a par with a 400cc but with the weight, volumes, emissions and running costs of a more compact 300cc. The new scooter is the first in the world with ABS/ASR, an important advance enabling riders to enjoy maximum performance in complete safety.
