

MOTO GUZZI

V9 BOBBER SPORT

A strong personality matched with an enduringly tenacious spirit. This is the philosophy behind the new custom Special Edition of *Moto Guzzi*, a homage to the mythical racing bikes of the 1950s.

Its aggressive, quickfire temperament sets it apart from its V9 “sisters” with whom it shares the muscle power of a true custom bike.

Its unique design is seen in every curve and its detailing in total black contrast with an orange base for a highly original and striking dual colour aesthetic. With its classic bobber style oversize tyres, the **V9 Bobber Sport** is set to deliver a coup de foudre to all who set eyes on it.

CO₂ emission - 114 g/km
Fuel consumption - 5.0 l / 100 km
