MP3 SPORT 310

Modern, sporty design blends seamlessly with a bold front chassis to create sleek, lightweight lines. The front of the bike, with its unique double wheel combination, takes on a more nimble aspect thanks to its mudguards with their sporty outline and the coloured bodywork. LED lights and an ample LCD display are testament to the increasing role technology plays and its athletic prowess. The bottom line: this is a dynamic, agile bike which delivers an extraordinary riding experience with no call for compromise.
